Clamp

Rechargeable LED table lamps for outdoor use give a personal touch to the garden and are both practical and functional. CLAMP is made of wood. It has an anthracite painted aluminum illuminator which diffuses a pleasant light towards the ground and is equipped with an opal polycarbonate lens. The touch dimming function allows the user to decrease or increase the brightness.

Code	**3741-30-130**
Type	Table lamp
Designer	S.T. Fabas Luce
Eancode	8019282540809
Customs tariff	94052190
Color	Walnut
Material	Metal frame and wood
IP	IP54
IK	08
Insulation Class	CL3
Operating ambient temperature	-20°C +35°C
Item Dimensions	434mm Ø250mm - 1.02kg
Packaging Dimensions	300x300x510mm - 1.6kg
	Light Source 1
Light source	LED Included
LED Characteristics	SMD
Power Pack Type	Touch dimmer
Light Source Lumen	320 lm
Item Lumen	210 lm
Color Temperature	Warm white 3000K
Minimum CRI	>80
Energy Efficiency Class	A G E
	Electrical specifications 1
Total Absorbed Power	3W
